RE: Speaking Invitation  
Federal Bar Association  
South Florida Chapter  
Miami, Florida  
March or early April 1988

Ms. Linda J. Amidon, President of the Federal Bar Association of the South Florida Chapter, has invited you to be the guest lecturer at a luncheon meeting of their annual seminar sometime in March or early April on a Thursday or Friday in Miami, Florida. The proposed format is 20 minutes of remarks and 10 minutes of questions and answers. While the seminar is geared primarily towards federal litigation, you are asked to speak on any topic of your choice. You could expect an audience of approximately 200 attorneys and judges from South Florida as well as professors from the Miami law school.

Since you spoke to the Illinois Bar Association in November and have tentatively accepted speaking invitations with at least two other Bar Associations in 1988, I think that you should decline this invitation. If you agree, attached is a letter of regret.

Dear Mr. Webster:

The Federal Bar Association, South Florida Chapter is in the process of planning its annual seminar for the month of March 1988 in Miami, Florida. As President I have been requested to inquire as to your availability to be our guest lecturer at the seminar.

As you might expect, this seminar is conducted for approximately 200 South Florida Attorneys who practice in Federal Court. While the seminar is geared primarily towards federal litigation, topics regarding the federal Executive process has always been well received in the past.

On behalf of the Federal Bar Association we would be most honored if you could be a guest lecturer. Tentative plans include holding the seminar on either a Thursday or Friday depending on your schedule. Therefore please advise us at your earliest convenience as to whether or not your schedule can accommodate us. Thanking you in advance for your assistance, please do not hesitate to call if you have any additional questions.

Very truly yours,

  
Linda J. Amidon  
President  
South Florida Chapter
